

Ramvijay Engineers and Manufactures about ourselves

We take pleasure in introducing ourselves as one of the leading manufactures of the following type of locking devices.

1. Circlips
2. 'E' Rings
3. Star washers
4. Spring Dowels (Hollow Spit)
5. Lock nuts
6. Various type of fastners (sheet metal)

we are already supplying our products to a very large number of industries viz:

1. Automobile industries (motor cars, Scooter, Trucks, motor cycles, etc) and their ancillaries.
2. Agricultural Equipment manufactures (Tractors, Tillers Etc)
3. Oil Engine manufactures
4. Marine and Aviation industries
5. Textile machinery manufactures
6. Heavy and light machine building industries
7. Electronics and communications industries (Radio, Television, Tele Printers and telephone etc)
8. Electrical pasts manufactures (Switch Gears, Starters, industrial and domestic electrical appliances)
9. Miscellaneous industries

we specialized in jobs involving use of spring steel strips. Any challenging assignment which means import substitution would particularly interest us.
